

Bethesda Child of the Month

October 2015

M. B.

I am one of the oldest girls in the Shikwambane home and am excited that you will be praying for me this month. Let me tell you a little about myself. I love to help my mom with the household chores such as cleaning, cooking, baking, or taking care of the younger children. I am not very fond of doing outside chores - which my mom enjoys so we help each other that way! My mom is a great teacher and has taught me how to cook and bake really well! She says I make very nice desserts.

I am not a quiet person and love to talk to a lot of people. I frequently visit my friends at many of the different families here. I also like things to move fast so being patient is something I have to work at. I enjoy being at school with my friends but some of the subjects I have to take, especially Maths and English, are hard and I struggle to do them well. I am thankful for my parents who have taught me the Word of God. I know that because of them, I am learning to be a good parent someday. (-M. B.)

M is a creative and social young lady

M loves to sing at home and at our church and enjoys serving others with the talents and abilities that God has given to her. She is such a help in our home too. Recently, I came home from a meeting and she had cleaned the whole house and smelled so nice! She is good about seeing something that needs to be done and just doing it without being asked.

M is turning into a good leader, in part, because she is now one of the oldest in the family. She is taking more responsibility and her choices are sometimes harder. She is very social which is a strength but it can also make it difficult to choose to do right when friends are choosing to do wrong.

You can pray that M will continue to grow in her leadership and be willing to do right even if its hard or different than what her friends choose. Please also pray that she will improve in the more difficult subjects at school. We are praying that she will continue to grow in her knowledge of God. Thank you for praying for her. (-her Mom and Dad)

Making beautiful jewellery

Please pray for M

**To be a leader who makes right decisions, even when its hard*

**To grow in patience with others and excel in school*
