

Bethesda Child of the Month

September 2015

D. M.

D has been at Bethesda since she was a baby and it has been wonderful to have both D and her brother at Bethesda for so many years now. We have seen many positive changes in D's life and we are excited to continue to watch her grow and mature! D loves to play indoor games with her brothers and sisters or any of her friends. The games of Uno and Sorry are some of her favorite ones to play. She is also a very social young lady and loves to play with her friends and visit one of her favorite aunties, Miss Small.

This year, D is in Grade 2 at Jabulane Christian Academy. School is sometimes hard for her but she likes it and loves the fact that her teacher trusts her and gives her jobs such as running errands to the office and supervising classroom jobs.

D is growing into a good leader at home too. She is one of the first ones to volunteer to help her mommy and is very good at helping the younger ones with getting their clothes on and brushing their teeth in the mornings.

D's mom says that she is growing into a beautiful young lady and one of her strengths is that when she is able to see what she has done wrong, she will admit it and try to make it right. She is also pretty good about asking for help when she needs it.

You can pray for D that she will grow in the area of being truthful at home and at school. Sometimes when she has done something wrong, she will cry or manipulate in order to avoid consequences. Because she is turning into a leader in her home, the littler (and bigger) ones are watching her and she needs to learn to please and obey God so she can be a good example to them. Thank you for praying for her!
